🎓 Education

University of São Paulo

PhD

2025 -- ongoing @ São Paulo, Brazil

- Genetics and Evolutionary Biology
- Supervised by Prof. Diogo Meyer

University of São Paulo

bachelor's degree

2019 -- 2024 @ São Paulo, Brazil

- Molecular Sciences
- Cum. GPA: 3.242 / 4.0

🔬 Research Experience

Undergraduate Research

population genetics

Aug 2022 -- Dec 2024 @ U of São Paulo

- Supervised by Diogo Meyer
- A population genetics analysis of *Dictyostelium discoideum*'s greenbeard genes: assessing genetic diversity, population structure and balancing selection

Research Internship

evolution of altruism

Apr 2024 -- Aug 2024 @ U of Bath

- Supervised by Jason Wolf
- Unraveling the polychromatic greenbeard effect: *Dictyostelium discoideum*'s *tgr* genes through the eyes of balancing selection

🗨 Presentations

Evaluating the role of epistatic selection in maintaining extended haplotypes in the MHC

Poster SMBE @ Copenhagen, Jul 2026

📖 Training & Workshops

SLiM Workshop

simulation software

Jun 2024 @ U of Edinburgh

- Lectures by Ben Haller

Lattice models & biology

minicourse

Nov 2023 @ ICTP-SAIFR / IFT-UNESP

- Lectures by Ricardo Martinez-Garcia and Luisa Ramirez
